

SWIMZI TEAMWEAR

CATALOGUE & PRICE GUIDE 2026

INTRODUCTION

Ready to take your club's teamwear to the next level?

Swimzi provides a simple, fully customised teamwear solution for sports clubs, combining high quality products, bespoke design, and hassle-free ordering.

We understand how important team identity is. Every collection is designed in collaboration with your club, with close attention paid to your colours, logo, heritage, and location.

These core principles are applied across an extensive range of market leading, customisable products.

The result is a kit your members are proud to wear, whether they are training or competing.

ORDERING PROCESS

Simplicity is at the heart of what we do.
Here's our step-by-step guide from initial enquiry to delivery:

Enquiry

Get in touch with us at teamwear@swimzi.com to discuss your club's requirements. From product selection and colours to budgets and delivery timelines, we'll work with you to build a tailored solution.

Design

Once a brief is agreed, our design team brings your kit to life. Whether starting from scratch or working within existing brand guidelines, we support you at every stage of the design process.

Club Shop Creation

We create your dedicated online club shop, allowing members to browse, personalise, and pay online during agreed ordering windows. You remain in full control of the shop's opening schedule throughout the year.

Production

Once the shop window closes, orders are collated and sent into production with our trusted, market leading manufacturing partners. Depending on your design and delivery requirements, lead times typically range from 2 to 6 weeks from shop closure to delivery.

Delivery

International orders will be delivered directly to the club for onward distribution to the members. Additional postage costs may be charged depending on location.
